

DE PASSER

DE PASSER

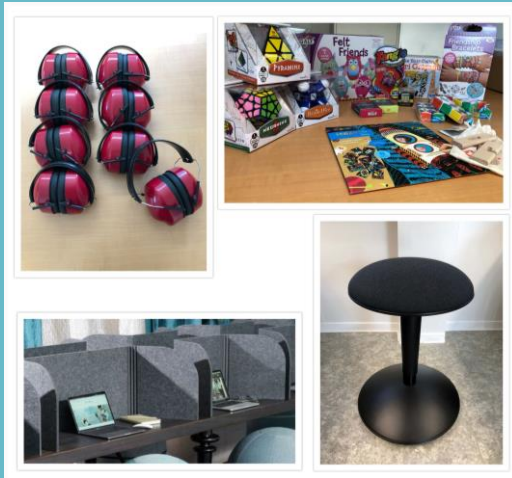

## De Passer: school special education – autism (ASD)

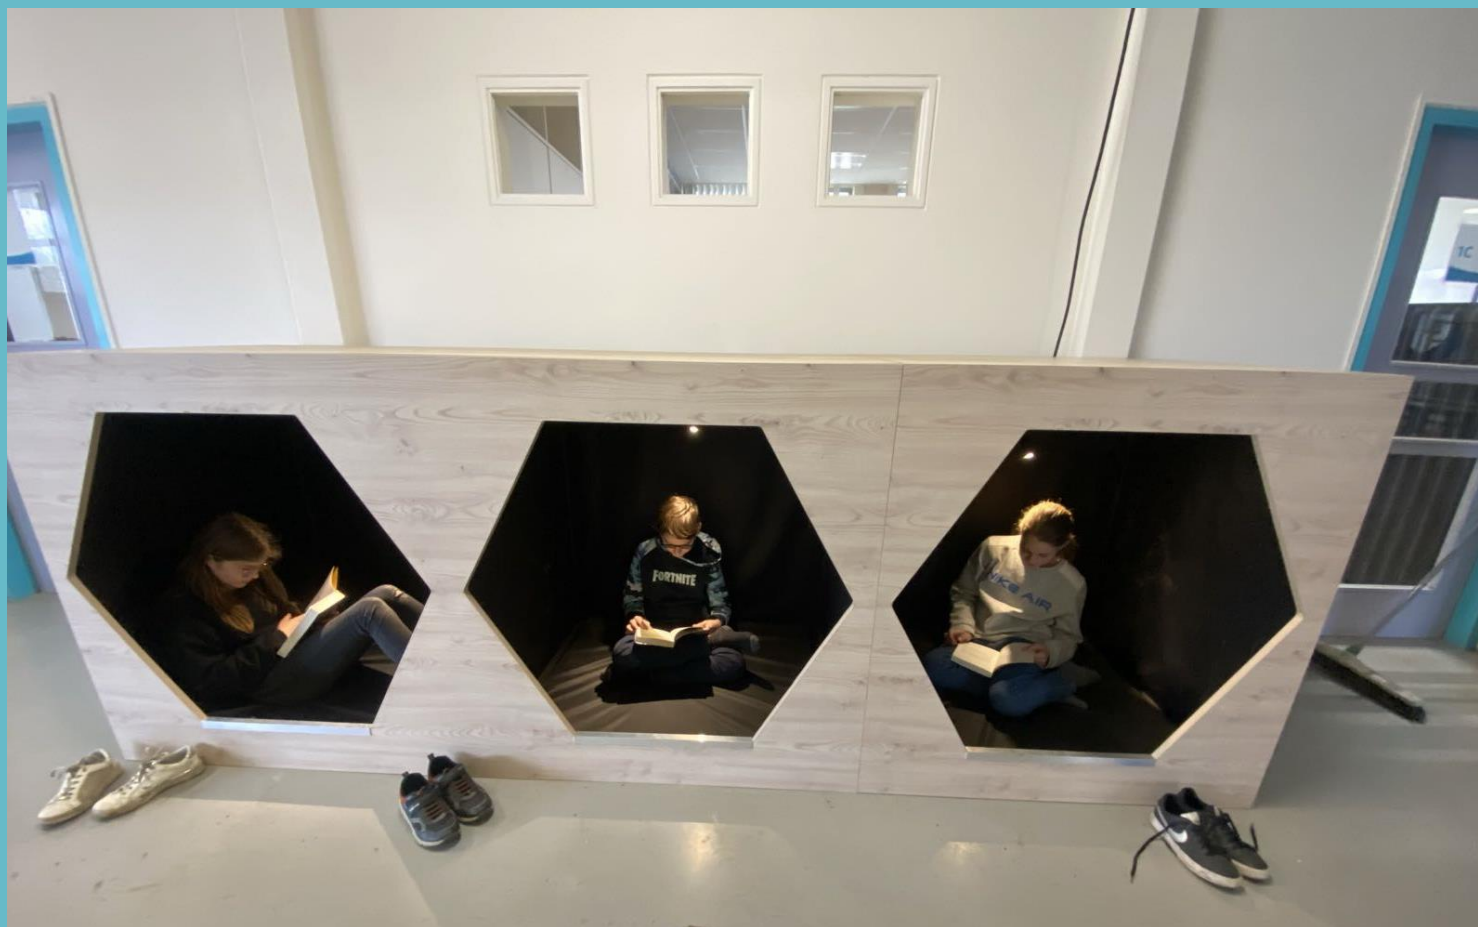

- 200 pupils – 100 staff
- Regular curriculum → preparation for higher education studies and for integration into active life (work)
- Strong focus on discovering and using their talents
- **Customization:** we work to suit the student and the student is at the heart of the process
- **Wellbeing** → very important

## Customization

- Small classes (max. 10 pupils)
- Room = low in stimulation
- Own workplace
- Help with organization
- Additional tools → headphones, visual aids, tools to provide structure
- Possibility of a 10-minute break during the lessons

# DE PASSER

## Internship – Traineeship Belgium

- Internship : 4 weeks 16 years old students; 8 weeks 17 years old students
- Traineeship : working 3 days/week; coming to school 2 days/week (dual system) students 16 years old
- Preparation
- Visit workplace
- Communication -> ASD

## Examples -> how to coach the employee

- Pace of working
- Student doesn't find the drill
- Tell what you are doing – do what you tell
- Tell your expectations
- Lunchbreak

## Examples -> how to coach the student

- Give as much details as possible
- Make a step by step plan : what if....
- Communication

## Internship abroad

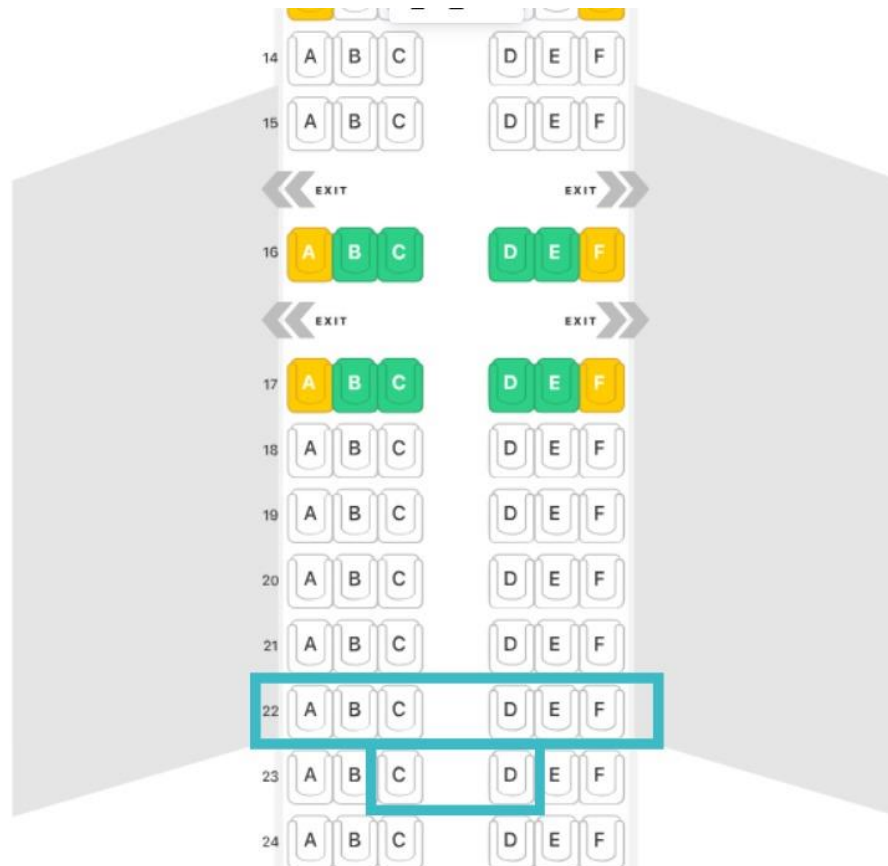

- Not for every student!
- A 'go' aproved by teachers
- Being abroad before internship (with school)
- Wellbeing has to be ok
- Flexibility

## Internship abroad

- Information about country
- Information about accomodation
- Information about Internship
- On-site Introduction (together with teacher)
- Communication with mentor
- End of the day

## Good practice

- 2 weeks Erasmus students software & system engineer
- Benefix Nerja
- 4 students internship 2 weeks
- ASD is added value
